

# THANK YOU, VOLUNTEERS!

Digi-Bridge volunteers have a direct impact on Charlotte-area scholars during the 2020-21 school year..

## FALL 2020 STEAM KITS

Honeywell helped fund and provided volunteers to assemble 500 at-home STEAM Kits in Fall 2020. These were distributed to middle school partners and included two (2) projects and two (2) STEAM-focused books for a literary component.

## WINTER 2020 STEAM KITS

Lowe's helped fund and provided volunteers to assemble 700 at-home winter-themed STEAM Kits. These were distributed to community partner organizations like Boys and Girls Clubs of Greater Charlotte, ourBRIDGE for KIDS, Steve Smith Family Foundation, Charlotte Freedom School Partners and local schools.

## STEAM LAB KITS

In January, groups from Novant Health, Sealed Air, Mythic, AvidXchange and Kiwanis Club helped assemble 1,200 STEAM Lab Kits, which are paired with virtual instruction by educators from our school partners.
